The Cullen Sewage Disposal system is a U. S. patented process, and it is backed by testimonials that prove its wonderful claims. It requires no cleaning, no disinfectants, no waterworks. Those installed seven years ago are as odorless as your parlor. We contract, mill, installations and towns and public schools. And for a private home, your family has privace, you are not advertising them daily before the public. As these installations are placed in the house where it is warm and cozy. Write us now, at once. You may save a funeral.
